Did you find the information helpful in understanding the project?     Yes     No

What is your opinion on the public open space being proposed in comparison with the grassland currently in-situ at the existing site?

Do you believe the proposed public open space offers a community benefit above that of the existing grassland area? Why?

Are you of the opinion that the proposed public open space will benefit not only future occupiers of the proposed housing scheme but also the existing residents of Edenderry? Why?

How did you hear about this information event? \_\_\_\_\_
